## ENEA WORKSHOP

Marseille, France

3 - 5 DECEMBER 2025

**9<sup>th</sup> ENEA Workshop, Marseille, France, 3-5 December 2025**

**TRANSLATIONAL APPROACHES IN PITUITARY AND OTHER SECRETING  
NEUROENDOCRINE TUMORS:**

It is our pleasure in the name of the Local Organizing Committee to invite you to the 9<sup>th</sup> ENEA workshop that will be held in Marseille, France, December 3-5th, 2025 on **translational approaches in pituitary and other secreting neuroendocrine tumors**.

This workshop will provide with **new tools to address clinical unmet needs**. It will be a unique opportunity to share the latest findings on these challenging conditions. The short session format for plenaries will shed light on current knowledge on all aspects, from pathophysiology to current diagnostic challenges, potential targets for new treatment strategies and therapeutic perspectives.

Marseille, France previously hosted a meeting of the ENEA as far back as in 1997. Since then, the oldest and second largest French city that was European capital for culture in 2013, saw the building of the iconic Museum of Mediterranean culture (MUCEM) and of the Villa Méditerranée where one can dive into a replica of a painted submarine prehistoric cave. We also had the privilege to organize the 4<sup>th</sup> ENEA workshop in Marseille in December 2015 and the WorldMEN meeting in April 2023 both in the same venue as that of the upcoming 2025 Workshop: the historical Palais du Pharo that proudly overviews the Vieux-Port (Old Harbor). This outstanding venue at the heart of the city will allow the participants enjoying an unforgettable Mediterranean experience.

By tradition, the first French harbor has always been welcoming travelers from all over the world. We will be happy to welcome neuroendocrinologists from the 5 continents to this scientific event and are looking forward to extending to each of you a warm welcome.

Thierry Brue and Frédéric Castinetti

For the ENEA 2025 Workshop Local Organizing Committee

## Welcome to Marseille!

2025 ENEA WORKSHOP will be held in Marseille, France, the capital of Provence, one of the most beautiful and attractive cities bordering the Mediterranean Sea.

### Meeting venue:

PALAIS DU PHARO  
(Pharo Palace)  
58, Boulevard Charles Livon  
13007 Marseille  
France

## Expected audience

We expect more than 500 physicians, residents, nurses, researchers, and other international specialists interested in the broad topic of the workshop, which covers most of the interests of participants usually attending ENEA meetings and other international events in the field of Neuroendocrinology.

## Dates

The congress will take place from Wednesday, December 3<sup>rd</sup> 2025 at 13:00, to Friday, December 5<sup>th</sup>, at 13:00.

## ENEA 2025 Workshop strengths

- A European meeting bringing together international experts in neuroendocrinology and neuroendocrine tumors
- A recognized local and scientific committee that will closely work with the ENEA committees, including the EYRC (young investigators)
- An innovative program addressing basic research, translational studies and clinical practice
- Internationally recognized local team expertise on the organization of meetings, and on the main areas developed in this workshop

**In short, the ENEA Marseille 2025 Workshop is the unique possibility to bring together over 3 days French and international experts involved in neuroendocrinology to improve knowledge about its associated disorders, improve the overall patient management, develop innovative collaborative research projects, with unique opportunities for networking within this highly focused community.**

### CONTACT US FOR ACCOMMODATION

[enea@aoscongres.com](mailto:enea@aoscongres.com)

Feel free to contact us, should you need accommodation for your group.

We will send you accommodation proposals around the Conference venue and around the Vieux-Port at walking distance from the Conference venue.

### Subscription

To become a Sponsor or to book a booth, you must return your reservation form along with a 50% pre-payment to the General Secretariat of the Congress. Balance payment will be due before December 31<sup>st</sup>, 2024, at the latest. No verbal booking will be accepted.

The booking and settlement of the pre-payment are considered a firm commitment and place the subscriber under obligation to accept the general and specific conditions of the sponsorship Contract Agreement and of the Technical Manual for the Exhibitor which will be sent to all companies that have booked an exhibition booth.

Further, non-payment of the balance payment before December 31<sup>st</sup>, 2024 will constitute grounds for immediate cancellation, by law, of the right to take up the reserved booking(s) without reimbursement of the pre-payment.

### Position and exhibition map

Booths will be allocated chronologically, as bookings are received, and according to the type of sponsorship selected. After allocation, no change can be accepted without the organizer's written approval.

IMPORTANT: The exhibition map will be sent after the registration form and 50% pre-payment are received. The exhibition map has no contractual binding and is subject to City Council's approval. We reserve the right to modify both size and arrangement of the exhibitor's booked area according to the City Council.

### Arrangement of exhibits

The space provided will be shown on the floor plan insofar as possible, but Management reserves the right to make changes at any time to the location, size and display limits of a booth if it is in the best interest of the show, if it is requested by the Security Commission, or in case of excess of the Exhibit Site load limits (contact Management for additional information).

Exhibit floor weight-bearing capacity is 500 kg/m<sup>2</sup>. Exhibitors may not place objects weighing more than 500 kg/m<sup>2</sup> in their booth. This is an absolute limit and no exceptions will be made. Violations will not be permitted. Any damage caused by excess weight or by the setting-up, installation, use, exhibiting or removal of any objects exceeding this weight will be repaired at the exhibitor's expense.

Exhibitors agree to arrange their exhibits so as not to obstruct the general view nor hide other exhibits. A maximum back wall height on linear booths is restricted to 2.5 m, with a 2 m height restriction imposed on all materials in the remaining space forward to the aisle. No partitions other than the side rails provided by Management are allowed unless specifically approved in advance. The entire cubic content of an island booth may be used up to the maximum height of 2 m, including signage. Exhibitors may not project beyond the space allotted and aisles must be kept clear of traffic.

Exhibitors are not permitted to use power tools (electric drills, power saws, etc.) on booths of any size. Manual tools such as hammers, screwdrivers, ratchets, pry bars, etc. are allowable for exhibitor use within size and time limitations. Exhibitors may not borrow tools, ladders or other equipment from the exhibit facility and/or Palais du Pharo.

Palais du Pharo is responsible for maintaining in and out traffic schedules at the exhibit site. Local exhibitors should clear all movements of exhibit materials through the decorator as they will have priority at the unloading area at all times. Exhibitors may also handle their own freight provided the material can be hand carried to and from the booth via accepted freight entrances, or if transport of large items can be done using two wheeled hand trucks of four-wheeled mover-type dollies provided by the exhibitor.

Electrical installation is exclusively managed by Palais du Pharo and must conform to regulations and to all national, state and local codes. Information and order forms will be included in the exhibit service kit provided by the Management.

### Use and purpose of exhibit space

No exhibitor may sublet, assign or apportion any part of the assigned space, or represent, advertise or distribute literature for the product of service of any other firm or individual except as approved in writing by Management.

### Restrictions

The exhibit is scientific and educational; over-the-counter sales during the show are prohibited.

Management may prohibit distribution of souvenirs, advertising matter or anything else it considers objectionable. Distribution elsewhere than within an exhibitor's booth is forbidden. No materials may be posted, nailed or otherwise affixed to walls, doors or other surfaces in a way that might deface the premises or booth equipment and furniture. Any damage is payable by the exhibitor.

Management reserves the right to restrict, prohibit or eject any exhibit, in whole or in part, which because of noise, safety hazards or for other prudent reasons is deemed objectionable, if an exhibitor or exhibitor is ejected for violation of these rules and regulations, no return of rental shall be made. Exhibitor agrees not to sponsor group functions that conflict with any official Conference program, except as approved by Management. Please check the Conference website for information regarding ancillary meetings, hospitality suites, receptions, etc.

### Decoration of exhibits

An exhibit service kit will be provided prior to the Congress and exhibition which will include information on labor, drayage, furniture, lighting, telephones and electricity. It is the responsibility of the exhibitor to abide by the regulations and deadlines contained therein. All shipments to the Exhibit Site should be marked with the exhibitor's name, booth number, company name, address, phone number and Show name. A complete shipping address will be provided within the exhibit service kit.

### Material handling

One individual from each exhibiting company is permitted one trip to hand-carry items into the exhibit facility. The exhibitor use of dollies, hotel baggage carts, flat trucks and other mechanical equipment, is *not* permitted. Palais du Pharo will control access to the trade show floor which includes access from the loading docks and/or all doorways into an exhibit facility. This will help to provide a safe and orderly move-in/move-out. Unloading or reloading of any freight into the exhibit hall by any and all private vehicles and contracted carriers will be handled by Palais du Pharo. Rates for material handling services are enclosed in this exhibitor service manual.

Palais du Pharo shall be the sole authority on all matters in the DOCK area. This shall include but not be limited to such items as assignment of dock space and loading or unloading of all materials and equipment.

Any conflicts or disagreements regarding the union jurisdictions or interpretations thereof should be resolved with representatives of Freeman and Show Management.

### Special requests

Helium, Nitrogen, Oxygen and Nitrous Oxide tanks are not allowed on the event floor. Any special requests should be directed to the ENEA Workshop management **PRIOR** to submitting the exhibit application & Contract Agreement and full payment. Special requests could be, but are not limited to, needs for cooling water and drains, electrical requirements. If your

request can be accommodated and is approved, you will receive confirmation from ENEA WORKSHOP management by email. Please complete the Special Needs section on the Exhibit Application & Contract Agreement and attach the confirmation received.

#### **Cancellation conditions**

Any booth, Congress or other sponsorship cancellations must be made in writing to the General Secretariat of the Congress. Cancellations will be subject to the following conditions:

Until December 31<sup>st</sup>, 2024: 50% of the total amount owed is not refundable.

After December 31<sup>st</sup>, 2024: No reimbursement of payments will be made.

#### **Force Majeure**

In case of Force Majeure, the Congress and exhibition dates can be subject to change, or may even be cancelled. In the latter eventuality, funds available after payment of incurred expenses shall be distributed between the exhibitors, in proportion to their payments, without the possibility of any recourse against the organisers or director.

#### **Insurance**

The undersigned waives all recourse against the organizers and the proprietors of the premises and undertakes to take out the necessary insurance policies to cover risks arising from materials (theft, damage, etc.) and civil liability covering the signatory's permanent or temporary personnel attending the Congress. In no case will the exhibitor be covered by the Congress organization's insurance policies.

#### **Miscellaneous booking and rental of advertising space**

Advertisers are asked to check that their advertising complies with French legislation regarding advertising of pharmaceutical products and medical hardware. The organizer will not at any grounds whatsoever be able to entertain any complaints lodged after termination of the event.

The organizer reserves the right not to sell a sponsorship to any firm, company or organization whose activities do not relate directly to the general topic of the event or do not comply with the strict standards imposed by the organization committee. Applications should be sent to the organization committee, which will make the final decision regarding all applications.

The exhibitor or sponsor undertakes not to organize any satellite event whatsoever throughout the duration of the ENEA WORKSHOP Congress in the Marseille region without having previously obtained the organizer's written approval. Furthermore the Conference exhibitor or sponsor may only distribute advertising on its own stand at the exhibition or in a room it has booked. Anyone infringing the above rules hereby undertakes to pay compensation to the Conference organizers.

#### **Exhibitor's technical manual**

An exhibitor Technical Manual will be sent to exhibitors who has booked and paid for their exhibition booths. This manual will contain all of the information related to the general conditions, rules of safety, assembly and disassembly of booth, deliveries, details of the official Congress-service providers and forms for the booking of their services.

#### **Rule changes**

Management reserves the right to modify or supplement these rules as it deems appropriate to the operation of the exhibit. An exhibitor, its employees or agents shall, at the option of Management, constitute cause for Management to terminate this Agreement and expel exhibitor from the exhibit; exhibitor shall forfeit all fees paid to Management in such a case.

#### **Payment of invoices**

Settlement of payment may be made by check, by bank wire transfer or credit card to AOS.
